REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

As to claims 1-25, the prior art of record does not teach or render obvious the limitations recited in claims 1, 13 and 25; when taken in the context of the claims as a whole, specific to a changing a state of the event port to an alert state, if the event port is not already in the alert state, in response to receiving the alert event, notifying one or more of the computer software applications threads, which are waiting to retrieve events from an event port, about the alert state of the event port, and returning at least one computer software application thread to its respective computer software application independent of each event that the at least one computer software application thread is waiting to retrieve.

Moreover, evidence for modifying the prior art teachings by one of ordinary skill level in the art was not uncovered so as to result in the invention as recited in claims 1, 13 and 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
